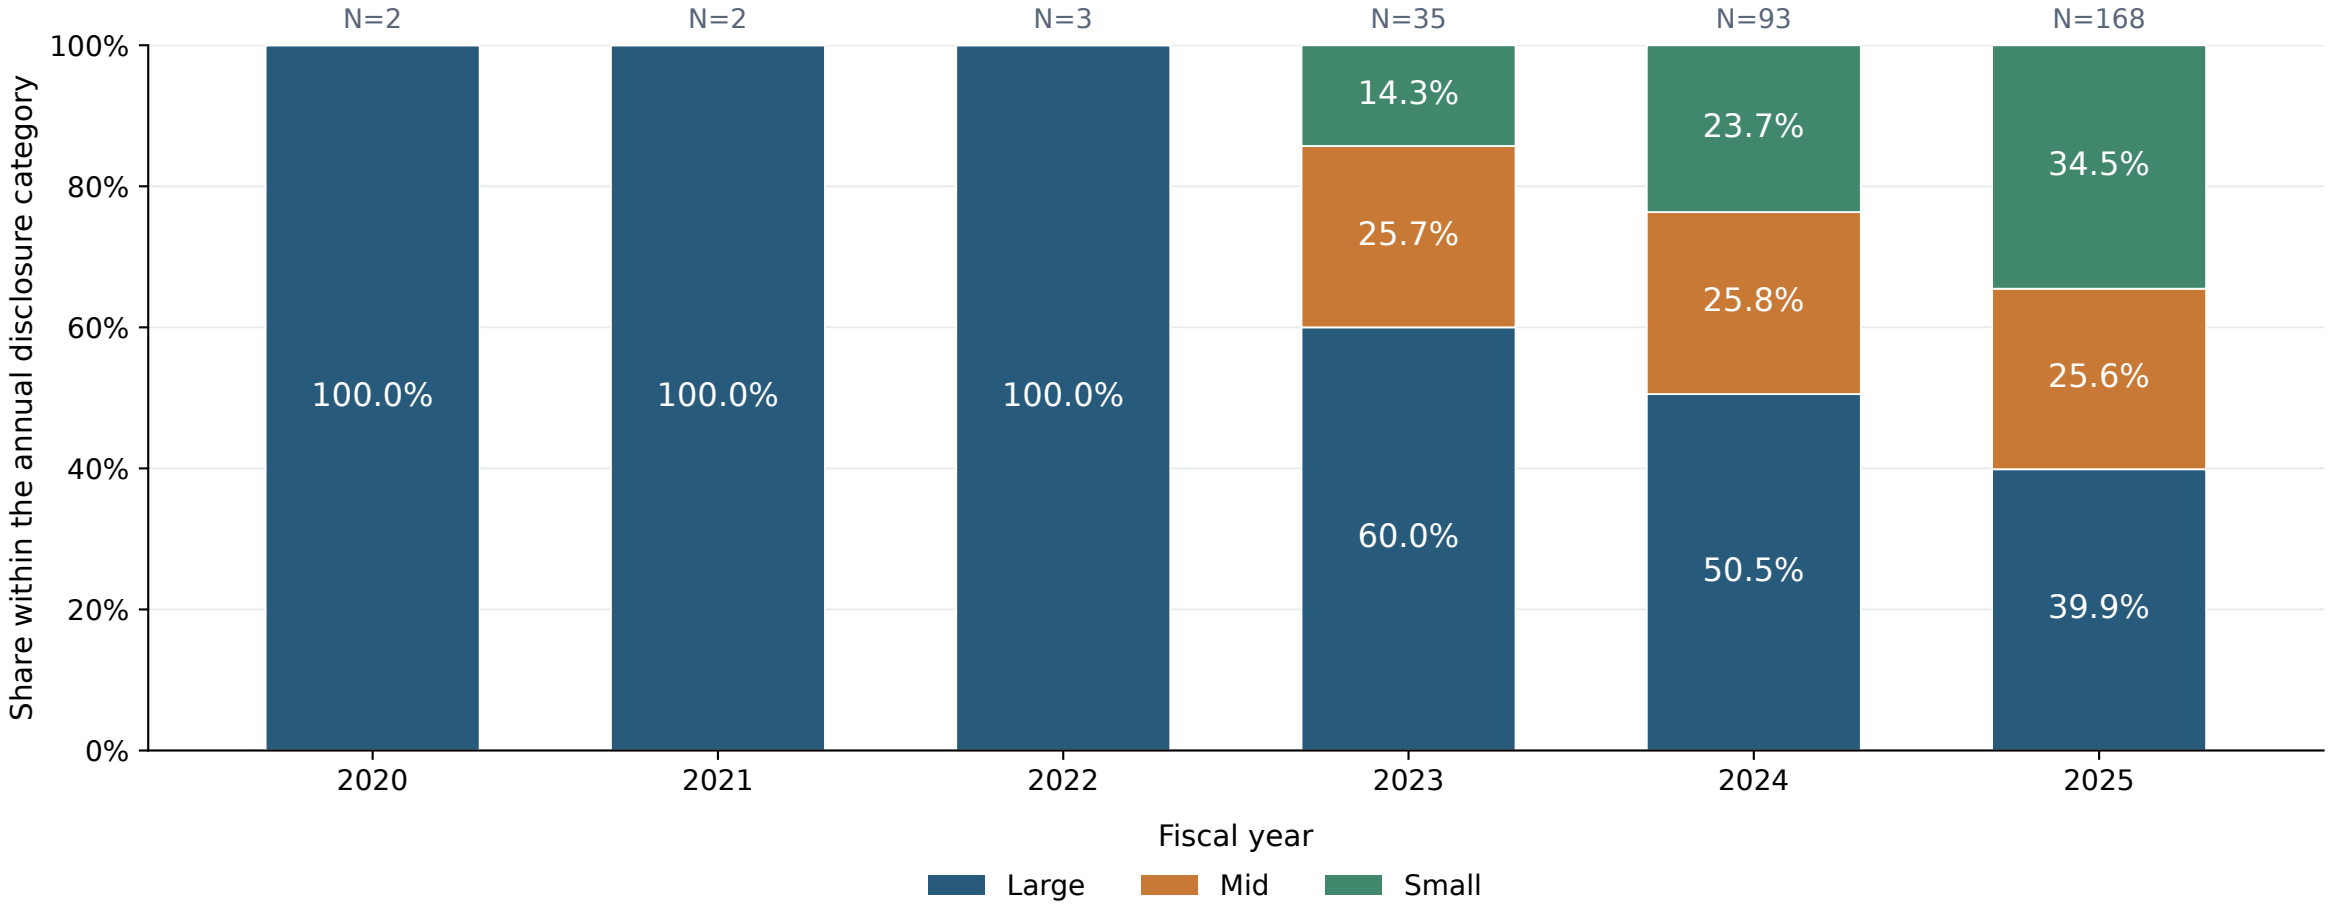
Firm-Size Composition among Firms with Implemented AI Governance

FY2020–FY2025 | Denominator: all valid firms in the named disclosure category in each fiscal year



FY2020–FY2022: only 2, 2 and 3 Governance Positive firm-years; interpret early composition cautiously.

Size proxy: fixed S&P index source (19 Sep 2026). Composition of automated 10-K disclosure labels; human validation pending.
